

**Owners and Operators  
Minutes  
April 21, 2010**

Present: Hendrickson (Jackson Co), Polz (Cottonwood Co), Dybevic (Worthington PD), Ebert (Rock Co), Heinrichs (Nobles Co), Roelfsem, Anderson (Nobles Co EM), Donahue (Murray Co) Westfield (Yellow Medicine Co)

Motion to approve minutes?

Motion by Ebert, second by Polz. Motion carried.

Dybevic: There is a new steering committee that has been formed to task the regional committees with different standards to review and adopt or amend.

The committee was tasked with Standard 3.32.0. The "plain talk" standard.

There was much discussion on what was needed and mandated in reference to obtaining future grants but making this standard work for the region.

Motion by Ebert 2<sup>nd</sup> by Heinrichs that the standard be approved with the following addendum.

The following 10 codes will be allowed in the region.

10-2 in reply to a status check, as it applies to officer safety. 10-4, 10-6, 10-7, 10-8, 10-12, officer safety 10-29, officer safety 10-52, and 10-54 these are for public safety concerns.

These codes will only be used for law enforcement only. All other responders will be using all plain talk.

Motion carried.

This standard will be presented to the RAC/RRB at their meeting this date.

Next meeting task Standard 5.1.0? This is the standard governing media.

**If you cannot be at a meeting please let Chris know. We do not need to travel if there will not be enough people to vote on anything.**

**Next Meeting:      May 26<sup>th</sup>                      12 noon                      Marshall LEC**
