ARTICLE I - AUTHORITY, PURPOSE, AND DUTIES

Section 1. Authority. This Agreement is entered into by the parties to this agreement pursuant to the authority conferred upon the parties by Minnesota Statutes 471.59 and 403.39.

Section 2. Purpose. The parties to this Agreement wish to formulate a regional radio board to provide for regional administration of enhancements to the Statewide Public Safety Radio and Communication System (ARMER) owned and operated by the State of Minnesota and enhance and improve interoperable public safety communications. With that objective in mind, the Parties to this Agreement wish to collectively prepare and administer a plan which provides for the installation, operation and maintenance of local and regional enhancements to the Statewide Public Safety Radio and Communication System (ARMER).

This Agreement may be utilized to provide joint purchase of common individual equipment needs. Joint purchase may occur when it is determined that standardization of equipment is in the best interests of the Parties to this Agreement or when other advantages might be achieved by joint purchases.

Section 3. Duties of the Parties to this Agreement.

Subd. 1. Regional Radio Board. A regional radio board composed as herein provided shall have the responsibility for the planning, financing, development, design, construction, operation, management, control and administration of the regional enhancement to the statewide public safety radio and communications system (ARMER) in accordance with the Statewide Public Safety Radio Plan and the technical and operational standards of the Statewide Radio Board.

Subd. 2. Local Enhancements and Improvements. The regional radio board shall coordinate all local enhancements to the statewide public safety radio and communications system (ARMER) for jurisdictions and entities located within the region. All local enhancements and improvements must be consistent with local plans approved by the regional radio board, sub-regional and regional plans authorized and approved by the regional radio board and the Statewide Public Safety Radio Plan adopted by the Statewide Radio Board pursuant to statute. Improvements and enhancements are defined in the State Plan adopted by the Statewide Radio Board.

Subd. 2. Withdrawal Notification Period. After the December 31st following repayment in full of any obligations issued to finance or refund the financing of any approved portion of the system, withdrawal shall only be permitted if the notice required pursuant to this section is given at least one year in advance of the withdrawal, but no later than December 31st of the year prior to the intended withdrawal, i.e. notice by December 31, 2019 for withdrawal on December 31, 2020. The withdrawal shall not affect the continuing liability of the withdrawing party for continuing obligations incurred that had the approval of the party prior to the notice of withdrawal, including lease-purchase or installment purchase obligations. To the extent permitted by law, the withdrawing party shall also be obligated for continuing obligations of the Board directly related to the services or activities of the Board which are caused by the withdrawal.

Subd. 3. Distribution of Property on Withdrawal. A withdrawing party shall not be eligible for the distribution of any property or assets at the time of withdrawal except as otherwise specifically provided in this Agreement.

The Southwest Minnesota Regional Radio Board shall fully defend, indemnify and hold harmless the participants against all claims, losses, liability, suits, judgments, costs and expenses by reason of the action or inaction of its employees participating in the Southwest Minnesota Regional Radio Board. This agreement to indemnify and hold harmless does not constitute a waiver by any participant of limitations on liability provided under Minnesota State Statutes, Chapter 466, or other applicable law.

To the full extent permitted by law, actions by the Parties pursuant to this Agreement are intended to be and shall be construed as a “cooperative activity” and it is the intent of the Parties that they shall be deemed a “single government unit” for the purpose of liability, as set forth in Minnesota Statute, Section 471.59, subd. 1a(a); provided further that for purposes of that statute, each Party to this Agreement expressly declines responsibility for the acts or omissions of the other Party.

The Parties of this Agreement are not liable for the acts or omissions of the other participants to this Agreement except to the extent to which they have agreed in writing to be responsible for acts or omissions of the other Parties.

This section shall survive termination of this Agreement or a Party’s withdrawal from the Agreement.
